WORK EXPERIENCE

Summary

Public and corporate finance executive offering more than 25 years of experience in implementing EU and global professional standards; auditing and advising; leading complex public finance management projects on a national level; dealing with international financial institutions and professional organisations.

Strong background in corporate governance, corporate and public finance, regulation and oversight of auditing profession, accounting and auditing.

Proven leader with track record of contribution to achieving materially improved state reporting on both a national and international level and improved governance and enhanced internal controls in international financial institutions.

Licensed statutory auditor and internal auditor, fellow member of the Association of Chartered Certified Accountants.

2020 - present

Managing Director
Auditing Oversight Authority (Úrad pre dohľad nad výkonom auditu), Slovakia

The Auditing Oversight Authority (AOA) supervises the audit profession in Slovakia, including overseeing compliance with international standards on auditing, code of ethics and with the provisions of the Act on Statutory Audit. It also oversees audit firms' quality assurance systems, continuing education and disciplinary proceedings conducted by the Slovak Chamber of Auditors. Beside other tasks and competencies, the AOA also organizes auditor exams, issues certificates and licenses and registers statutory auditors and audit firms in Slovakia (see more on: www.udva.sk).

Responsibilities and accountabilities in this role include:

- Statutory and executive body of the AOA, accountable to the Board and the Supervisory Board,
- Strategy, budget, financial results, annual report,
- Performance plans and results: audit quality inspections, audit exams,
- Representing the AOA and the Slovak republic in the International Forum of the Independent Audit Regulators (IFIAR) and the Committee of the European Audit Oversight Bodies (CEAOB) and other international bodies for a such as meetings with the Public Company Accounting Oversight Board (PCAOB),
- Liaising with other regulators and professional bodies (Ministry of Finance of the Slovak Republic, National Bank of Slovakia, Slovak Chamber of Auditors); member of the Committee for Governmental and Internal Audit.

Public sector/public oversight/auditing

2016 - 2019 Head of Governing Bodies Secretariat Division

European Investment Bank (EIB), Luxembourg

The EIB is the lending arm of the European Union; it is the biggest multilateral financial institution in the world and one of the largest providers of climate finance. The EIB helps the economy, create jobs, promote equality and improve lives for EU citizens and for people in developing countries (see more on: www.eib.org).

The Bank's statutory bodies (three decision-making bodies and one control body) are:

- Board of Governors (28 members, usually Finance Ministers),
- Board of Directors (29 members, 9 alternates and 6 experts),
- Management Committee (President and 8 Vice presidents), and
- Audit Committee (6 members and 3 alternates).

Responsibilities and accountabilities in this role include:

- Leading a team of 18 professionals responsible for proper organization of the Bank's statutory bodies' meetings (calendar, agenda, supporting documents, workplans, minutes and action points, administration), seamless flow of information to and from governing bodies and management of relationships with members of statutory/governing bodies;
- Advising the Audit Committee and Bank's hierarchy on specific topics linked to best banking practices, banking regulation and supervision, including external and internal audit affairs as applicable to the Bank;
- Leading projects on the continuous improvements of decision-making processes and internal control frameworks (including digitalisation/IT tools) in line with best banking practice.

International Financial Institution/EU body/banking/corporate governance

2013 – 2015 Board of Directors – member

European Investment Fund (EIF), Luxembourg

EIF is a specialised provider of risk finance to benefit small and medium-sized enterprises (SMEs) across Europe; its shareholders are the EIB, the EU represented by the European Commission along with a wide range of public and private banks and financial institutions (see more on: www.eif.org).

Responsibilities and accountabilities in this role include:

- Representing the majority shareholder (as an EIB Board member) in the EIF's Board of Directors.
The Board of Directors (consisting of 7 members and 7 alternates are nominated by key shareholders) and is responsible, inter alia, for approving the EIF's operations, supervising the Chief Executive and ensuring the EIF is managed in accordance with the provision of the Statutes and with guidelines and directives laid down by the Board of Directors; the Board is accountable only to the General Meeting.

Public-private partnership (shareholding structure combining public and private investors)/fund

2012 – 2015 Board of Auditors – Chair/Vice Chair

European Stability Mechanism (ESM), Luxembourg

ESM was set up in 2012 as an international financial institution by the euro area Member States to help euro area countries in severe financial distress; it is a part of the EU strategy designed to safeguard financial stability in the euro area (see more on: www.esm.europa.eu).

The ESM governing bodies are the Board of Governors and the Board of Directors; the Board of Auditors is an independent oversight body of the ESM composed of five members appointed by the Board of Governors.

Responsibilities and accountabilities of membership and chairmanship of the Board of Auditors, include:

- Preparing and delivering annual work plan,
- Carrying out independent audits,
- Inspecting the ESM's accounts,
- Auditing regularity, compliance, performance and risk management,
- Monitoring as well as reviewing the ESM's internal and external audit processes and their results, and
- Presenting results of the work to the ESM Managing Director, Board of Directors and Board of Governors (Finance Ministers).

International Financial Institution/EU body/auditing

2008 - 2015

Board - Vice Chair

Committee for audit quality inspections - Chair

Auditing Oversight Authority (Úrad pre dohľad nad výkonom auditu), Slovakia

The Auditing Oversight Authority (AOA) supervises the audit profession in Slovakia, including overseeing compliance with international standards on auditing, code of ethics and provisions of the Act on Auditors, Audit and Audit Oversight. It also oversees the audit quality assurance system, continuing education and disciplinary proceedings conducted by the Slovak Chamber of Auditors. Beside other tasks and competencies, the AOA also organizes auditor exams, issues certificates and licenses and registers statutory auditors and audit firms in Slovakia (see more on: www.udva.sk).

Responsibilities and accountabilities in this role include:

- As a Member and Vice-Chair of the Board: strategic management of the AOA, especially implementation of recent changes in EU audit legislation. The Board consists of five members.
- As a Chair of the Committee: preparing and delivering the annual inspection plan, including selection of entities to be inspected based on risk assessment, constituting the inspection teams, assessing findings and, when relevant, imposing corrective measures, including fines.
- Representing the AOA on national and international professional events and conferences.

Public sector/public oversight/auditing

2005 - 2015

Board of Directors - member

European Investment Bank (EIB), Luxembourg

EIB is the lending arm of the European Union; the biggest multilateral financial institution in the world and one of the largest providers of climate finance. The EIB helps the economy, create jobs, promote equality and improve lives for EU citizens and for people in developing countries (see more on: www.eib.org).

Responsibilities and accountabilities in this role include:

- Representing the Slovak Republic in the Board of Directors. Members of the Board of Directors are responsible in their own right solely to the Bank. I was the second longest serving member of the Board. The Board of Directors:
 - has the sole power to take decisions in respect of all loans, guarantees and borrowings,
 - is responsible for ensuring that the Bank is properly run,
 - ensures that the Bank is managed in-keeping with the provisions of the Treaty and the Statute and with the general directives laid down by the Governors.
- Representing the EIB Board on the Ethics and Compliance Committee, the Risk Policy Committee and the Working group on Governance.

International Financial Institution/EU body/banking/corporate governance

2004 – 2015 Director General of the State Reporting Section

Ministry of Finance of the Slovak Republic, Slovakia

Ministry of Finance is the central body of state administration responsible for the areas of finance, taxes and fees, customs, financial control, internal audit and government audit. The Ministry is also the central body of state administration responsible for the informatization of society, coordination of state aid in the area of pricing and price control (see more on: www.finance.gov.sk).

Reporting directly to a Minister of Finance and/or State Secretary in leading the section responsible for:

- Public sector accounting and reporting standards, consolidation of financial statements of the Slovak public sector in accordance with national standards, Eurostat (ESA 95/ESA 2010 standards) and IMF standards. Leading the reform of public sector accounting in Slovakia (migration from cash based to accrual accounting), affecting thousands of central and local government entities.
- State debt and state treasury strategic management, including strategic information systems for public finance management.
- Negotiations and administration of loans from international financial institutions, administration of state guarantees, and other state specific operations (e.g. PPP projects), and for international investment treaty negotiations and disputes.

Member of several inter-ministerial working groups responsible for specific state transactions.

Member of the Slovak Resolution Council of the Single Resolution Mechanism (2015). Member of the Supervisory Board of Export-Import Bank of the Slovak Republic (2005 - 2010). Member and Chairman of the Supervisory Board of Central Securities Depository of the Slovak Republic (2004 – 2006) and member of the Board in several financial institutions (European Investment Bank, European Investment Fund, International Investment Bank and International Bank for Economic Cooperation).
