Ability to exercise judicial functions

- Ability to analyse and resolve legal questions ▪ My ability to analyse and resolve legal problems comes from 40 years of practice as a European judge, national judge, registrar in the Companies Registry and lawyer/counsel for companies. These various functions have enabled me to acquire extensive and comprehensive experience in the areas of law in question.
- Ability to work as a team in an international environment ▪ My ability to work in a team results from the performance of all my duties as set out above. Moreover, I have been working abroad in a multicultural and multilingual environment since 2009.
- Ability to control a team ▪ Since 1992, I have performed duties that involve the management of a team, whether it be in the Chamber and the College at the Košice Regional Court, or in my cabinet at the General Court.
- Computer skills ▪ I am proficient user of the IT tools necessary to exercise the profession of judge. These include, for example, MS Word and Canevas for drafting texts, MS Outlook for electronic communication and Curia, Eurlex, Internal Portal, ASPI and JASPI legal databases.
